

Company / School District Reimbursement Plan

If your employer offers a 100% tuition reimbursement program, you may defer the balance of your tuition until the end of the semester by making a \$100 down payment. No interest will be charged.

If your employer offers a partial reimbursement program, you may defer your employer's portion of the tuition. All tuition not covered by your employer is payable by the semester bill due date.

Forms are available on GUXpress or in the Office of Graduate Admissions. This is an agreement between the student and Gannon University.

Semester Payment Plan

- This plan enables you to defer up to \$2,500 per semester.
- There is a \$30 per semester processing fee.
- For a balance greater than \$2,500, a down payment of the difference between the total due and \$2,500 is required. For a balance less than \$2,500, a 25% down payment is required. In either case, a signed Semester Payment Agreement is required which is available on GUXpress on the Student Account Center or in Gannon's Cashier Office. The balance deferred plus the \$30 processing fee will be divided into three equal payments and will be due:

Fall:	September 20	October 20	November 20
