\* Crime Rate per 100,000 population. Population is calculated using full-time equivalent of students, faculty, and staff (4061.2). Statistics include all reported incidents involving the Gannon community in a reasonably contiguous distance around Gannon owned property and all off-campus student organizations recognized by Gannon University.

Gannon University has compiled statistical information on specific crimes, and calculated the Crime Rate for those incidents reported to the Campus Police & Safety Office during the calendar year 2012. This information, along with the statistics for the previous two calendar years, is being provided to all students and employees as required by State and Federal regulations. Questions regarding the information should be directed to the Campus Police & Safety Office.
