- (1) Your group's benefit period is based on a Contract Year which runs from April 1st through March 31st.
- (2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government, TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.
- (3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health/Substance Abuse benefit
- (4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply)
- (5) Coverage for eligible members to age 21. Services will be paid according to the benefit category (e.g. speech therapy). Treatment for autism spectrum disorders (ASD) does not reduce visit/day limits.
- (6) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If not, you are responsible for contacting MM&P. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
- (7) You are responsible for the payment differential when a generic drug is authorized by your provider and you purchase a brand name drug. Your payment is the price difference between the brand name drug and generic drug in addition to the brand name drug copayment or coinsurance amounts, which may apply.
