*School Supply and Student Reward Drive
Teachers, mentors and tutors are often challenged by a lack of resources for creative engagement of students. To support teachers, mentors and students in our community, we’ll be collecting school supplies and small “treasures” for student rewards and incentives. Recommended items include typical school supplies, new/gently used back packs, stickers, fancy pencils/pens, and small gift cards for teachers/mentors to use or give away. Donations will be accepted at the lunch on MLK Day, and in the SGA or Center for Social Concerns offices through February.
For more information, contact Laura Goble at goble001@gannon.edu.

“The function of education is to teach one to think intensively and to think critically. But education which stops with efficiency may prove the greatest menace to society…Intelligence plus character—that is the goal of true education.”

– Martin Luther King, Jr. (age 18 in his college newspaper)
